

Dear Property Owner and/or Business Operator:

Thank you for your interest in participating in the **Downtown Façade Improvement Grant Program**. This program is managed and funded by the City of Brentwood. Our goal is to increase the quality of life and economic vitality by improving the condition of commercial buildings in our Downtown.

The Downtown Façade Improvement Grant Program can assist your business with the following services:

- Grants to qualifying property owners and tenants for exterior improvements to buildings and storefronts.
- Financial assistance with architectural and graphic design services (Matching Grants only) for façade improvements.
- Technical and financial assistance to assist you through the design approval and permit process.
- Improved and attractive storefronts are a proven way to attract customers and add value to the property and neighborhood.

Our role is to provide financial and design approval assistance and are a resource to help you make decisions about improving your property. You select the contractor, negotiate the price to be paid, and accept or reject work.

We are happy to discuss with you the process and documents needed to participate in the Downtown Façade Improvement Grant Program. If you have any questions, please call me at 516-5187. Thank you again for your interest.

Sincerely,

*Peggy Trudell*

Peggy Trudell  
Senior Community Development Technician

**CITY OF BRENTWOOD  
DOWNTOWN FAÇADE IMPROVEMENT GRANT PROGRAM  
GUIDELINES & APPLICATION**

**ELIGIBILITY: APPLICANTS**

Applicants must own the commercial property to be improved or be tenants (see paragraph below) of a commercial property within the Downtown Specific Plan area. Businesses must have a current City business license.

If a tenant applies, they must include a letter from the property owner allowing the tenant to make the proposed building and site modifications. To be eligible for the Downtown Façade Improvement Grant Program, tenants will be required to verify that they have at least three years remaining on the lease. If tenant is accepted to the program, the property owner will be required to co-sign an agreement with the City.

**ELIGIBILITY: BUILDING**

All grants shall apply only to existing buildings in the Downtown (see attached boundary map) and shall be administered on a first come, first served basis until the budgeted funds are depleted for the fiscal year the Façade Program is operational. Legal, conforming businesses as determined by the Downtown Specific Plan must be located in at least 75% of the ground floor of an eligible building.

Buildings on corner lots with frontages on both a qualifying street and another street not qualifying will qualify for grants for improvements of facades along both streets.

The Applicant must not have any code violations or code enforcement actions currently active against the building or the business.

Vacant buildings are eligible only with proof of a contracted, incoming tenant.

No tenant or building façade will qualify for a grant more than once in five years.

**DECIDING WHAT NEEDS TO BE DONE**

The City of Brentwood has an exciting vision for the Downtown and recognizes the importance of a high quality retail and business environment for the continued success of Downtown Brentwood and is here to help property and business owners achieve this vision via a joint partnership. The Downtown Façade Improvement Grant Program is available to assist property owners and businesses with upgrading building exteriors to create a positive visual impact, stimulate private investments and complement the downtown community revitalization efforts, as improvements to commercial buildings can directly benefit the Downtown district, both visually and economically.

Priority consideration will be given to Applicants that make highly visible and significant design contributions, and which contribute to the program goal of preserving the

architectural, historic, and commercial character of Downtown Brentwood and advance Economic Development goals for the Downtown.

The standards to be used as guidelines for this Program shall consist of:

- The City of Brentwood Downtown Specific Plan.
- The adopted California Code of Regulations - Title 24, Zoning Ordinance and applicable Design Guidelines.

Project improvements commenced prior to the City's issuance of a Notice to Proceed are not eligible for this Program.

The following improvements are eligible for reimbursement through the Downtown Façade Improvement Grant Program for an eligible participant and building:

- Exterior painting
- Decorative or architectural treatments
- New, repaired or refinished stucco, wood, stone, brick, metal, tile or other exterior building materials
- Signage
- Awnings, canopies or other sun control devices
- Exterior lighting
- Re-chaulking
- Landscaping directly related to the exterior of the building
- Repair/replacement of doors or windows visible from public view
- Artistic elements

The Façade Program **will not** reimburse funds for structural improvements, removal of illegal improvements, security systems, and/or routine maintenance, cleaning or repair. Improvements that are maintenance or repair oriented, such as but not limited to roofing and structural upgrade improvements are not eligible for grant funds but may be undertaken as a part of the Applicant's total improvement program at the Applicant's expense.

All Applicants must pay all applicable design and building permit fees prior to commencement of work by contractors.

## **PROJECT FUNDING**

Funds for the Program are available on a first come, first served basis. If funds are exhausted at the time of application submittal, staff will retain the application. If additional funds become available, staff will contact Applicants in the order applications were received. Program staff will retain applications for no more than 12 months.

## GRANT AMOUNTS

Eligible property owners or tenants who propose façade improvements can apply for one of two grants.

1. **Mini-Grant** - This grant provides reimbursement for commercial building façade improvements to approved Applicants in the amount of up to Two-Thousand Five Hundred dollars (\$2,500) with no match requirement.
2. **Matching Grant** – This grant will provide a reimbursable matching grant of two-thirds (67%) of eligible project costs, up to a maximum of Twenty Thousand dollars (\$20,000). The total cost of the improvement work must be more than Two Thousand Five Hundred dollars (\$2,500). Receipt of a matching grant requires the approved applicant to contribute a minimum of one-third of the total cost of the façade improvement costs.

Grant proceeds are to be used for labor and materials directly related to the façade construction. Tools may not be purchased with grant funds, but tool rental is allowable.

Any expenditure which exceeds the grant amount for either the mini grant or matching grant shall be the sole responsibility of the Applicant(s). Approved grant amount shall be paid to Applicant upon verification that approved improvements are complete and paid in full.

Disbursement of grant proceeds to approved Applicants will be in a reimbursement payment issued after City deems the project complete. All reimbursement requests must include proof of payment and other supporting documentation, as deemed necessary by the City (i.e. invoices, cancelled checks, etc.), sufficient to demonstrate to the City's satisfaction that all façade improvement costs have been paid.

The City of Brentwood reserves the right to cancel or modify this Program at any time prior to grant approval, without notice. Continuation of the Program is subject to sufficient funding as appropriated by the Brentwood City Council.

## HOW TO APPLY

- Step 1:** Please contact City staff before filing an application, having architectural drawings made or making any improvements to your building. Staff can answer questions and help you determine if you are eligible for the Downtown Façade Improvement Grant Program.
- Step 2:** If eligible, complete Downtown Façade Improvement Grant Program application and Universal application (attached). As the owner and/or tenant, you must submit the following

documents with the Universal application for review by City Planning Division staff:

1. Site plan;
2. “Before” photos of exterior;
3. Preliminary sketches of all elevations; and
4. Materials/Color board

**Step 3:** A Project Planner will be assigned to your project. S/he will review your application for completeness and process the proposed façade improvements for design review approval.

**Step 4:** Following the acceptance of the grant application, verification of eligibility **AND** Administrative Design Review approval, an agreement must be executed between the Applicant and the City and commit the Applicant to complete the improvements according to approved plans and committing the City to reimbursement upon completion of the project. The agreement must be fully executed prior to proceeding with any construction. The agreement will state applicable terms and conditions. The Agreement shall also indemnify the City from all responsibilities arising from or in consequence to City’s participation in the Program.

Upon the execution of the agreement, a Notice to Proceed shall be issued by Program staff to the Applicant. The Notice to Proceed will provide the Applicant with the Design Review Approvals and guidelines as necessary to begin improvements. Any additional improvements outside of the approved improvements will not be considered for reimbursement.

After a Notice to Proceed has been issued to Applicant, all required building permits may be issued and work may commence. Work must be completed within 120 days of building permit issuance.

## **SELECTING THE CONTRACTOR**

Applicant selects the contractor and is responsible for completing any agreement with the contractor to carry out the work. All work must be conducted by contractors licensed by the State of California and who have a City of Brentwood business license.

The contractor should provide a warranty for their work and all manufacturers’ warranties. Projects in the Downtown Façade

Improvement Grant Program are required to comply with CA Labor Code 1771, et seq, regarding prevailing wage rates.

The City shall not be involved in general disputes between the Applicant and the contractor or sub-contractors.

## **GETTING REIMBURSED**

**Step 1:** Applicant submits the following documentation to City Program staff for review:

1. Copies of invoices and contracts;
2. The Applicant's cancelled checks or credit card receipts, showing that all costs have been paid in full;

City Program staff acquires the following documentation:

1. Statement from City Project Planner affirming that the completed improvements are in substantial compliance with the approved design; and
2. Copy of final Building Inspection approval.

**Step 2:** Reimbursement shall be issued within 30 days of receipt of all documentation listed in Step 1.

## **MAINTENANCE REQUIREMENTS**

By accepting grant funds, the Applicant commits to properly maintain all improvements and to keep storefronts, as well as sides and back of buildings clean and free of graffiti and trash for five (5) years at the Applicant's own cost and expense. Any damage to the façade is to be repaired immediately by the Applicant so that the building remains in good condition and positively contributes to the business area. On an ongoing basis, the Applicant is required to touch up painted areas and perform any other repairs needed to maintain building appearance including the cleaning of any awnings (recommended at least once a year).

## **APPEAL PROCESS**

Objections by the Applicant to policy, procedure or method of operation will be handled in the following manner:

Disputes on matters related to aspects of eligibility between the Applicant and Program staff will be administered by the following procedure:

1. Applicant submits written appeal to the Community Development Director within fifteen calendar days following notification of the Program staff's decision regarding their application. Request of appeal should state overriding reasons to amend the earlier decision. For the purposes of administrative remedies, the Community Development Director will render a final decision on the issues of eligibility under appeal.
2. Applicant will be notified in writing within seven calendar days of the Community Development Director's decision.

General disputes involving Applicants and the Program staff after acceptance into the Program shall be handled as follows:

1. Applicant shall make all reasonable efforts to work with Program staff to resolve any dispute.
2. If the matter cannot be resolved between Applicant and Program staff, the Applicant may submit written documentation of the dispute to the Community Development Director, who will attempt to facilitate a reasonable accord for final resolution in writing.

Failure to properly file a written appeal within time frame allowed shall constitute a waiver of Applicant's right to the appeals process.

## **QUESTIONS?**

For further information, please contact Peggy Trudell, Senior Community Development Technician, at 516-5187.

**CITY OF BRENTWOOD**  
**DOWNTOWN FAÇADE IMPROVEMENT GRANT PROGRAM APPLICATION**  
**CHECKLIST**

Our goal is to assist business and property owners by providing a streamlined design review process and financial assistance to insure high quality design improvements that help vitalize the Downtown business climate.

To assist you in providing the City of Brentwood a complete package for review, please submit the following:

- ☐ Completed and Signed Application for the Downtown Façade Improvement Grant Program
- ☐ Copy of most current Lease Agreement, if tenant
- ☐ Description of the Desired Improvements
- ☐ Design Drawings, Site Plan, Photos
- ☐ Universal Application

**Return your application and supplemental materials to:**

**MAIL:**

City of Brentwood  
Attn: Economic Development Division  
150 City Park Way  
Brentwood, CA 94513-1364

**DELIVERED:**

# DOWNTOWN SPECIFIC PLAN ADMINISTRATIVE DESIGN REVIEW APPROVAL

Planning Division

Effective: September 17, 2007  
Revised: September 17, 2007

## What is an administrative design review approval?

An administrative design review approval is a requirement of the Downtown Specific Plan when physical changes are proposed to either properties or existing buildings. The types of changes requiring approval include exterior building modifications (i.e. painting, new windows, etc.), modifications to existing signs or the addition of new signs, additions to existing structures up to 5,000-square-feet in size, and new residential projects providing four (4) units or less. The approval is considered administrative since it is reviewed by City staff only, and not the Planning Commission or the City Council.

## Overview of City Process (approximate two-week processing time)

The City of Brentwood has adopted procedures (Section 2.1.4 of the Downtown Specific Plan) for the approval of administrative design review applications in the Specific Plan area. These types of applications are processed administratively, subject to the Zoning Administrator's approval. Under this process, an application is submitted to the Community Development Department (Planning Division) and assigned to a staff planner. Once all of the required application materials are submitted, the planner reviews the information for conformance with the requirements of the Specific Plan. If the application is determined to be consistent with the Specific Plan, it is approved, either as submitted or with certain conditions. Each application is evaluated on an individual basis, within the context of surrounding land uses as well as the purpose and intent of the Specific Plan.

## Information Required for a Complete Application Submittal

- Universal Application form
- Property owner signature
- Site plan
- Building elevations
- Written narrative
- Color photographs of the property and building(s)
- Material and/or color samples
- Supplemental information such as a landscape plan, sign plans, etc., as required by the Zoning Administrator

A total of **three (3)** copies (ten (10) copies for new residential units or commercial additions) of the following exhibits are required to accompany the application materials. The more complete the application is, the more promptly it can be processed. A planner can assist you with any questions you may have.

A **site plan** or other exhibit is required that clearly shows what is intended in a graphic manner. The site plan should be drawn accurately and to scale, if possible. The Planning Division can advise you on how to prepare such an exhibit. It is important to show the dimensions of the subject property, all existing structures, existing and proposed parking areas, any proposed new construction, and any other aspects of the site that are relevant to the application.

**Building elevations**, drawn to scale, clearly showing existing conditions and how the proposed changes would affect the exterior of the building(s).

A **written narrative** describing the proposed project is also required to accompany the application.

In lieu of a site plan and/or building elevations, **color photographs (preferably digital) of the property and building(s)** may be submitted in order to demonstrate existing development.

**Material and/or color samples** proposed as part of the project are required. If material samples are not available, color copies showing the samples are acceptable, as long as they provide a realistic representation of the proposal.

# **DOWNTOWN SPECIFIC PLAN ADMINISTRATIVE DESIGN REVIEW APPROVAL**

Planning Division

Effective: September 17, 2007  
Revised: September 17, 2007

## **THE APPLICATION PROCESS**

**\*Please allow approximately two weeks to complete the approval process.\***

### **Step 1- Submit a Complete Application to the Planning Division**

The applicant desiring to receive approval of an administrative design review is required to submit a complete application, including all of the information required for a complete application submittal shown on this handout. Supplemental information may be required upon review of the submitted application if deemed necessary by the City, based on the proposed project. The application should be submitted to the City's Community Development Department (Planning Division) at 150 City Park Way, between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday. A planner will be available to review your application submittal for completeness or answer any questions about the process during these hours.

### **Step 2 – Staff Analysis**

After your application is submitted, a planner will be assigned to review it. The application will be reviewed for conformity to the requirements of the Downtown Specific Plan, including compatibility with surrounding land uses. The staff planner will contact you to report the status of the project and to obtain information as necessary. Changes or modifications to your project may be suggested or recommended.

### **Step 3 – Staff Approval**

Once any required changes are made and the application is in compliance with the Specific Plan, staff will prepare an approval letter and mail it to you. The letter may include certain conditions that will need to be complied with as part of the approval.

### **Step 4 – Appeal Process**

The decision of the Zoning Administrator shall become effective ten days after the date of the letter. Any affected party may appeal a decision of the Zoning Administrator to the Planning Commission by submitting a written request and an appeal fee to the City Clerk during the 10-day appeal period. An appeal will be scheduled for the first available Planning Commission meeting for which public notice can be given. The decision of the Planning Commission may be appealed to the City Council within 10 days of the Commission's action. The decision of the City Council shall be final.
